XANA | CONNEX

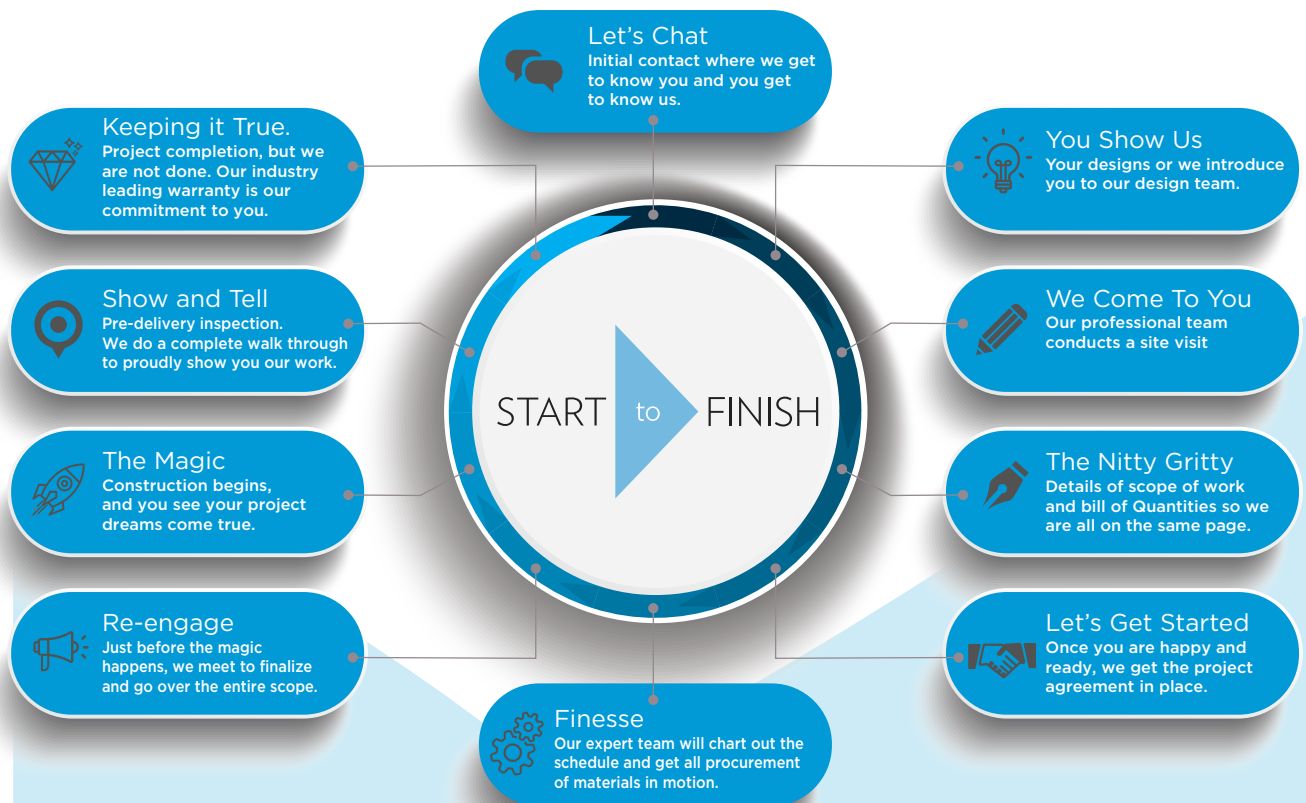

Communication is the key to any successful partnership, and that is imperative when it comes to a renovation/construction project. As such, **XANA Group, is the 1st in our industry to successfully launch a comprehensive, secure and easy-to-use customer mobile app, XANA CONNEX!** This app allows our customers to receive real time updates on their project right at their fingertips. You can view up-to-date construction schedule, recent project pictures in the gallery, and connect easily with your XANA project team via messaging portal on the app.

THE XANA PROCESS

The ability to decompose the process to clients via an infographic is invaluable. It eases their concerns and provides a path from Start to Finish - a testament to living the journey with all clients and stakeholders.
